

Pure Glass Markerboards

Great for menu boards

Safe tempered glass provides the best writing surface. Use our new pure glass markerboards to create a functional design element that will enhance any room with the elegant style of modern glass. These high performance boards are made of durable 1/4" tempered glass. Their high gloss, non-porous surface provides a silky smooth writing surface that cleans easily. The white or black background blends with your interior space while providing sharp contrast for maximum visibility.
