

MEAT GRINDER/ CHOPPER

The **MC5** Electric Meat Grinder

The MC5's compact design and small footprint make it perfect for home or for light commercial use. Don't be fooled by its small size – the MC5 is powered by a 350-Watt, .5 HorsePower motor. This space-saving grinder can process 2-3 pounds of meat per minute and is designed with both forward and reverse switches. For safety, the MC5 is manufactured with a built-in "Overload Protection" Switch. Easy to clean, maintain and store (simple hand washing is recommended).

- Rugged die-cast aluminum grinding head
- Pan, stomper, #12 S/S chopping knife
- Includes 3 chopper plates (1/8", 3/16" & 5/16")
- 3 stuffing tubes and Kubbe attachment included
- Steel gears – not plastic
- Reverse switch to clear grinder jams
