

HEMLOCK RECESS KIT 400-RECESS

The Alpine Industries 400-RECESS recess kit works with all Hemlock hand dryers. The recess kit reduces the protrusion of the dryer to less than 4 inches from the wall to meet ADA requirements when the dryer is installed in a narrow passage (hand dryer not included).

STAINLESS STEEL HAND DRYER WALL GUARD 400-WALLG

Our sleek, modern, corrosion resistant brushed Stainless Steel Wall Guards quickly mount with double sided tape beneath your Hemlock Hand Dryers to protect wall finishes from water stains and damage. Easily wiped down, they assist maintenance personnel in preserving the appearance and cleanliness of your restroom facilities.
