

SAFETY GRAB BAR

484-12 / 484-18 / 484-24 / 484-30 / 484-36 / 484-42 / 484-48

With 234,000 bathroom injuries a year suffered by people of all ages, installing an Alpine Industries' Stainless Steel Safety Grab Bar in your home, office, or public restroom can ease any anxiety about bathroom fall accidents. The brushed 304 stainless steel, 1.25-inch diameter grab bar is easily gripped significantly enabling you to transition from sitting to standing safely and securely. A matching stainless steel brushed flange conceals mounting plates for a clean look. All grab bars should be securely mounted to wall studs following included instructions.
