

TISSUE BOX HOLDER

STAINLESS STEEL BRUSHED

Built for longevity, this shiny and sturdy beauty will keep tissue boxes clean and protected from steamy or damp environments with the Alpine Industries Facial Tissue Box Holder. The polished and elegant design will make a great addition to any room and keep your tissue boxes neat and organized. Have it on the table or keep it wall mounted, it's convenience at your fingertips

Easy Fit 1
It will fit most regular rectangular tissue box sizes, you won't have to look too hard

2 Brushed Pretty
Shiny and pristine stainless steel make, that will always look clean and sturdy

3 Flip It Open
Flip-top lid and a solid bottom, so that switching out tissue boxes is just too easy

4 Install Anywhere
You can literally put it anywhere you want. The backside has built-in mounting holes - we've even got you covered with mounting screws
