

STAND, 44" SANITIZING WIPES CONTAINER with sign frame

Well equipped with a steel stand - as well as a sign frame that can hold graphic letter-sized signs or advertising. This easy to assemble stand for quick and efficient installation and use. Antibacterial sanitizer wipes are perfect for cleaning and disinfecting nonporous surfaces. By keeping the spread of germs and controlling dust in high and low traffic spaces, our antibacterial wipes dispensers are ideal for a variety of facility areas. By deliberately putting your antibacterial wipes dispensers and receptacles in the most convenient areas, they will be seen and utilized more often.

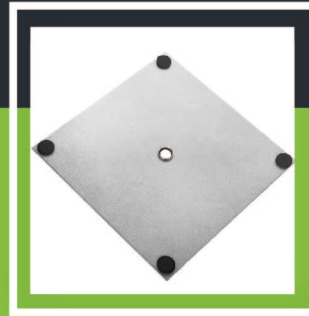

WORKS WONDERS

Fits wipes containers up to a 4-1/4" Diameter as well as a letter-sized graphic sign

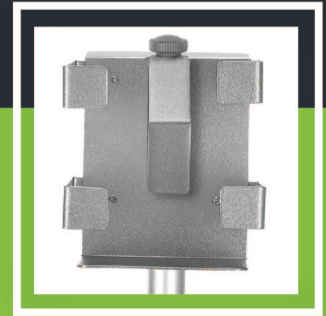

GET CREATIVE

8.5 x 11-inch sign holder lets you display graphic signs and more

BEYOND PROTECTION

Solid steel base with felt padding to protect your floors from scrapes

PERFECT FIT

Can be used with any brand of wipes with a bracket that allows for secure placement of smaller containers
