STANDARD STOCKED PLATE COVERS

Need to please a crowd in a pinch? Twelve of our most popular plate covers are available for rapid turnaround. Made of durable satin-finished stainless steel, these covers feature top-of-the-line heat retention and odor resistance. A well in the top of each cover fits the foot of many different plates. Just measure the diameter of the plate and note the design of the foot to determine the best option. We can also help guide you to the right cover choice with key details about the plate (manufacturer, model and/or size).* All covers are 2" in height and include a finger hole.
