Select a model

EP-1-8-5736

**Size:** 74" W x 54" H x 43" D **Cooking Area:** One baking chamber | One 57" x 36"

Hi! How can we assist today?

perfectly balanced baking.

This model is constructed with heavy-duty, .25" angle iron frame, which is fully welded to allow for stacking up to three ovens to increase production without sacrificing space. Other options are available to accommodate the configuration of your kitchen, such as side-mounted controls and special-height legs.
