C.A.C. Smallware Warranty

C.A.C. offers a non-transferable, one (1) year limited warranty on every new C.A.C. electronic appliance and selected smallware items to the original purchaser within the continental United States unless otherwise noted. With the exception of blades, coatings, light bulbs, and other wear items subject to normal use, the warranty covers repair or replacement of any part which proves to be defective in material or workmanship within one (1) year from C.A.C.'s authorized dealer invoice date. This warranty does not cover periodic maintenance.

This warranty does not extend to defects caused by improper handling, assembly or disassembly, unauthorized modification, accidental misuse, negligence or abuse, or failure to follow the product manual. The decision to repair or replace a covered part or product will be made at C.A.C.'s sole discretion. C.A.C. may require an inspection of the alleged defective product before repairing or replacing. C.A.C.'s obligation and liability under this warranty is expressly limited to repair or replacement as stated above, and does not include labor for repair or replacement. In no event shall C.A.C. be liable for incidental or consequential damages to buyer or any third party, including but not limited to, loss of property, personal injury, loss of business or profits, other economic losses, or statutory or exemplary damages, whether in negligence, warranty, strict liability, or otherwise.
