COMPONENT HARDWARE PART NO. _____

Component Hardware® DURO™ Hinge Kit FG74-0506

The affordable solution to fire code requirements for hinging commercial kitchen exhaust fans.

Rugged Weatherproof Construction

- Heavy duty, durable 10 gauge thick steel
- Corrosion resistant hinge and hardware
- Supports fans up to 500 lbs.

Easy Installation & Operation

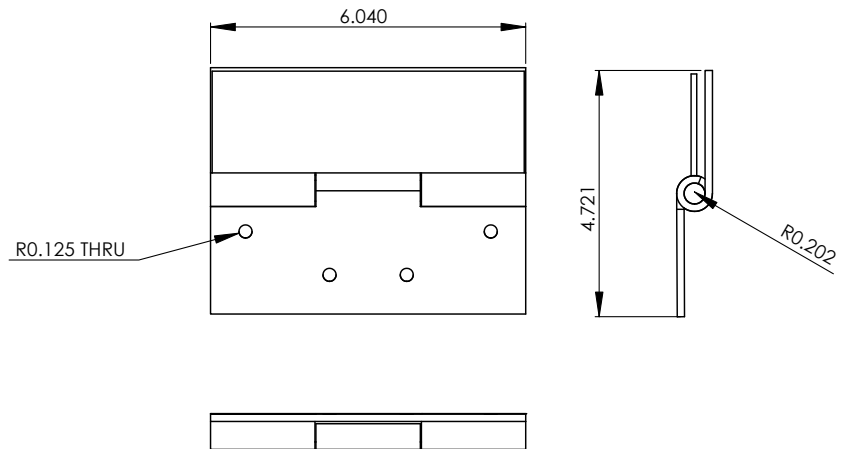

- Fits most commercial fan bases
- Space saving design
- Installs in less than 30 minutes

Optimizes Safe Accessibility

- Allows fan to be lifted back to a full 90° angle
- Safety chains support fan while in open position for safe access to fan and duct
- Reduces risk of costly damage to fan bowls, roof and electrical wiring
- Reduces risk of injury to technician

Code Compliant

- In compliance with requirements of NFPA Standard 96 8.1.1.1 and 8.1.5.3.2

Approximate shipping weight - 2 lbs
Lifetime warranty for service life of fan
