PLATFORM TRUCKS

Continental® offers three grades of platform trucks, in three popular sizes. Folding and removable handles enable them to be used in a variety of hauling situations.

A] PLATFORM TRUCKS

Structural plastic construction and rounded corners protect against accidental wall and door damage. No bumpers required. Unlike conventional metal or wood, plastic construction will not rust, dent, crack, chip, peel, or splinter. All platform trucks come in charcoal grey and feature a heavy-duty, reinforced steel handle. Casters: two fixed (stationary) and two swivel.

Color: Charcoal

Square steel sub-frame provides an evenly distributed, load-bearing understructure that ensures safety and reliability.

CARTS

Our carts are durable, easy-to-clean and highly maneuverable. Pneumatic casters, on some models, provide quiet operation on rough surfaces.

B] UTILITY CART

The 5800 and 5805 two shelf Utility Carts feature Derma-Tek smooth skin, non-porous finish and 5" heavy-duty, non-marking, grey casters for industrial use. Supports 200 lbs. per shelf, 400 lbs. maximum capacity.
