Room Service Trays NEW!

Low profile for patient comfort and ease of dining. Non-skid version helps minimize spills.

 Reinforced handles eliminates breaking; rounded for comfortable carrying

 Low rimmed edge keeps tray top items in place

PC material eliminates fading and increase durability

 Available with both a standard and non-skid surface

- Dishwasher safe
- NSF Listed

Special Healthcare Features:

- Non-skid trays eliminate traycovers making them a green alternative
- Compatible with most standard equipment for 15" x 20" trays
- Use with B size traycovers, see Dinex catalog for a listing of available options

DXRST1520

Coordinated Paper Products

- Increase patient satisfaction by offering a stylish, upscale traytop
- Designed to coordinated with the colors and designs of your Dinex insulated ware
- Helps keep the tray clean and organized during meal delivery
