

ROLLER & SKATE WHEEL CONVEYORS

Roller Conveyor
Shown with optional electric raceway and outlets.

Skate Wheel Conveyor
Shown with optional electric raceway and outlets.

Application

The straight-line roller and skate wheel conveyors are designed for tray make-up operations. These conveyors will help streamline tray assembly for any healthcare or catering operation. These units can be equipped with raceways and breaker panels for on-line support equipment connections. Mobile or stationary, these units are designed for easy cleaning and long life. Since these units are built to customer specification some units may not be available in mobile configuration. Please consult factory.

Construction

Skate wheel assemblies are 2" (5cm) diameter nylon wheels with low friction bushing for free movement. Wheels secured to frame with stainless steel bolts with stainless steel self-locking nuts. Wheels spaced on 3" (8cm) - 4" (10cm) centers removable for cleaning.

Rollers are 1.875" (5cm) O.D. grey PVC tubing with stainless steel ball bearings. Rollers mounted on stainless steel hex spring loaded shafts. The Roller conveyor will handle compartmental or divided trays as well as flat bottom trays.

Conveyor is supported by 1.625" (4cm) O.D. 16-gauge stainless steel tubular legs. Stainless steel tubing to fit into stainless steel sleeves welded to conveyor frame. Legs secured to sleeves with allen head set screws.

Stationary conveyors are provided with stainless steel bullet feet.

For both type conveyors, tray size must be known when unit is ordered to provide proper size cross member and end plates to accommodate tray.

Item Numbers

Skate Wheel Conveyors

- DXIESSW10
- DXIESSW12
- DXIESSW14
- DXIESSW16
- DXIESSW18
- DXIESSW20

Roller Conveyors

- DXIESR10
- DXIESR12
- DXIESR14
- DXIESR16
- DXIESR18
- DXIESR20

Options

- Electric raceway
- Outlets
- Casters
- Field joint
- Movable over shelf

Note: Engineering data chart must be completed accurately for proper selection of receptacles and panel box.

Warranty

One year parts and labor.

We do not accept returns on any Dinex equipment or Dinex custom products. Please contact your local Dinex rep to ensure order accuracy prior to ordering.
