# TOTALLY QUIET COMPACT BEVERAGE CART & FOLD DOWN SHELF

Add-Ons for the TQC Meal Delivery Cart

## Patient Bedside Service Redefined

Utilize your equipment in more ways than one. Our new add-ons include hot and cold temperature retention options for beverages and other items as well as a fold down shelf for easy assembly.

## Features & Benefits

- Bedside service and fold down shelf add ons for TQC Two Tray, 1 Door (2T1D) cart series in 10, 12, 14, 16, 18, 20 tray capacity.
- Versatile drink customization for greater service efficiency during meal delivery.
- Improve temperature holding times of hot beverages and cold items.
- Beverage service add-on includes: holders for 3 coffee airpots (sold separately), removable drip tray to avoid spills, condiment trays and 2 drawers. Compatible with 15 qt Full-Size Coldmaster® CoolCheck® food pans, and Full-Size CaterCooler™, sold separately.
- Fold down shelf is installed at an ergonomic height for easy tray assembly.
