Application

These carts are the latest design in a brand new series of carts called TVL Economy Carts. Here we offer you a cart that is built ready to have all of its options added as needed. It's the quick and easy answer to a "ready-made" tray service cart.

This equipment is intended for "Industrial Use Only".

Options

- All options are available for field installation only.
- The use of simple hand tools are all that is required to install the field options. "No Drilling of Holes are Required"

Construction

TVL Series cart single door tray delivery cart with an all stainless steel modular construction. Comes with standard perimeter bumper frame and standard drop down latch for doors for transport. The cart has (standard) 5" tray height spacing with 2 trays per shelf for a total of a 10, 12, 14, 16, 18, & 20 capacities for the cart. The cart comes with adjustable tray slides that can be adjust per slot (1.6875" height changes per slot). The cart is built ready with hole locations to add top rail assembly or you can remove the back panel and add a second door to change it to a pass-thru cart. All carts come standard with bottom mounted floor drain and 5" Performa casters with sealed stainless steel bearings (2 rigid, 2 swivel with side lock brakes).

Standard Features

- Full wrap around bumper
- 5" Performa casters
- Drop style transport door latch
- 5" tray spacing
- Drain included on all models

Compatible Tray Sizes

- 14"x18"
- 15"x20"
- 12"x19"
- 12"x20"

Warranty

One years parts and labor.
