

UNDER COUNTER REFRIGERATOR/FREEZER SOLID DOOR

Features & Benefits

- ⊙ Stainless steel inside and outside,sealed interior floors and rounded cabinet corners for easy cleaning
- ⊙ Self closing doors with stay open feature,lifetime guaranteed door hinges
- ⊙ Digital temperature controller with automatic defrost system
- ⊙ Forced air refrigeration system
- ⊙ Adjustable,heavy duty shelves

Technical Specifications

Voltage/Frequency	110V/60Hz
Refrigerant	R290
Type of Defrost	Automatic
Exterior Finish	Stainless steel
Interior Finish	Stainless steel

REFRIGERATOR													
MODEL NO	External Dimension(inches)			Packing carton (inches)			Temperature range(°F)	Compressor power(HP)	Gross weight (kg/LB)		#of shelves	Nema Config.	40HQ Container Certification
