Cold Pan Boxes

Now you can upgrade your front of the house food bars, buffet tables and beverage dispensing areas and keep products cool and safe. Our new CS series cold pan boxes are perfect for creamers, butter pats, lemon wedges and other condiments. Food stays chilled at or below 40°F for up to eight hours without messy ice or electricity. Edlund's stainless steel housing and choice of hinged lids keeps food covered and adds eye appeal while keeping products cold and fresh longer and more sanitary and secure for serving. Inserts freeze for eight hours or overnight before filling with pre-chilled product. Make a cool impression on your customers with Edlund.
