Edlund Five Star Series NSF Dishwasher Safe Portion Scales

Designed, tested and used by major restaurant chains, these scales feature reinforced internal housing supports and specially developed stainless steel platforms that absorb the shock of accidental overloads without damaging the precise stainless steel mechanism. Now just run them through the dishwasher to keep them looking and working like new. Once again Edlund offers the best weigh to consistent and sanitary portion control.

- All stainless steel construction
- Specially designed stainless steel platform
- Completely dishwasher safe. No need to disassemble
- Three models to choose from: Rotating, Over/under and Fixed
- Larger 7″ x 8¾″ platform for greater flexibility
- NSF Certified
- Made in U.S.A.

Dishwasher safe scales from Edlund that take the shock out of controlling food costs.

FEATURES:

- All stainless steel construction, including springs and mechanism, provide rustproof operation, longer life and greater accuracy
- Completely dishwasher safe. No need for disassembly
- Adjustable air dashpot on all models acts as a shock absorber to prevent scale pointer from vibrating after product is put on scale
- Molded window prevents spills from running down into dial
- All models can be field recalibrated using Edlund's CK-32 calibration kit
- 30 degree viewing angle
- Rustproof
- NSF Certified
- Made in U.S.A.
