GENEVA PORTABLE BARS
CHALET COLLECTION

The natural choice for indoors or out.

Shown in IPE wood

FOR EXCELLENT LEAD TIMES
AND SUPERIOR CUSTOMER
SERVICE, **GENEVA IS
UNRIVALED**

Our Chalet Collection boasts rustic charm and rugged design. IPE wood is an environmentally responsible choice and is virtually dent resistant. The wood slats over stainless steel interior construction ensures long-lasting durability suited for indoor and outdoor beverage service.

Our models are handcrafted in the USA. Geneva's portable bars offer design flexibility; you can add options for the interior and exterior to tailor your establishment. We offer excellent leadtimes. We are the only ones that offer the option that converts the bar to furniture with a convertible speed rail.

- ❖ Numerous exterior and interior options available
- ❖ Tig and resistance welded
- ❖ Easy-to-clean fully stainless steel interior
- ❖ Full backsplash, all sealed to NSF standards
- ❖ Channel base construction
- ❖ TPR casters
- ❖ 50 lb. ice capacity with cover option
- ❖ One year warranty

Options for Exterior

Corner Bumper

Full Bumper

Squared Top

Curved Top

Geneva's **EXCLUSIVE** Convertible Double Speed Rail

EXTERIOR: IPE wood only

INTERIOR: Tig and resistance welded. Full length heavy gauge stainless steel angles reinforce from corner of body on inside, with high impact edging on outside corners. Full backsplash sealed to NSF standards. Easy-to-clean stainless steel interior.

FULLY STAINLESS STEEL INTERIOR: Work surface shall be constructed of 18-gauge stainless steel. Wall shall be constructed of 20-gauge stainless steel and the base shall be constructed of 18-gauge stainless steel.

TOP: There are many surfaces available. Solid surface- material options are Bone, Rocky Road Granite, Lave Granite, and Ebony Granite. Granite material options are Luna Pearl, and Uba Tuba. Also in stainless steel. Additional solid surface options available.

CASTERS: Thermal plastic rubber casters. The 5 and 6 foot models come with 5" (4 swivel, 2 lock). The 8ft model comes with 5" (4 swivel, 2 lock, 2 ridged). 1 ½" height from the floor for easy travel over thresholds. Concealed casters for appearance of elegant furniture. There is an available 6" caster upgrade.

ICE BIN WITH DRAIN: Ice bin shall have enclosed foam insulation with drain. Ice bin shall have a 50 lb. ice capacity. *6 circuit sealed-in cold plate shall be compatible for use with Pre-Mix and Post-Mix systems.

CHANNEL BASE CONSTRUCTION Prevents racking and adds strength, especially when transported over uneven surfaces

CONVERTIBLE SPEED RAIL OPTION:

This option converts your bar from functional beverage service to space-saving furniture in seconds. Stainless steel inserts to make it easy to remove beverages after the event is complete

OPTIONAL INTERIOR ACCESSORIES:

- Ice bin cover
- Underbar server with 4 bowls
- Towel ring
- Bottle opener
- Hand sink
- Post mix
- Pre mix
- Locking doors
- Electrical plug
- 6" caster upgrade
- Stainless steel mixing rail
- Convertible speed rail

**Finish your suite with matching back bar, ice chest, and more.*
