MATFER MANDOLINE 2000S WITH SAFETY PUSHERS

Frame and safety guard/pusher are made of heat resistant, nonporous composite fiberglass.

Blades are crafted from carbon stainless steel.

The mandoline's slicing blade has both a straight edge and serrated edge. The safety guard or pusher protects your hands from the blade. The julienne blades create vegetable/fruit sticks of various widths. The stainless steel guiding plate located on the upper section of the mandoline, adjusts to vary the thickness of the vegetable/fruit slices. The straight edge of the slicing blade is ideal for slicing a variety of foods from carrots and cabbage to lemons and potatoes. The serrated edge creates crinkle and waffle cuts. The three julienne blades create classic julienne strips in three different thicknesses 1/8", 3/16" or 3/8", length 15 1/2", width 5 1/4". Includes a set of 3 julienne blades: 30, 18 and 10 teeth.

Comes with a rotary and flat pusher.

Item #	L"	W"	Wt
215060	15 1/2	5 1/4	3 lbs. 7 oz.

SPARE PARTS

Item #	Description	Spacing"
