All Metro Catalog Sheets are available on our website: www.metro.com

Super Erecta Solid Shelving Accessories

Solid Shelf Joining Clip

- Used to add on a solid shelving unit to another using only two posts.
- The joining clips take the pllace of two posts to create end to-end and right angle configurations.
- Two clips are required per shelf.
- To use these clips the base unit with four posts and the add-on unit with two posts must both have all solid shelves.
- Zinc plated.

Cat No. 9998Z.

Adjustable Undershelf Slides

- An undershelf drawer can be created by combining a tote box with these slides.
- Consists of a pair of slides and zinc plated mounting hardware
- Slide Channel: Aluminum

	Pkd. 1		Cat. No.
Item	(lbs.)	(kg)	Solid
For 18" (457mm) wide shelf	1	0.4	US18FA
