

PLATFORM

European style drip trays with a built-in glass rinser. Add some dispense excitement to each glass by simply inverting the beer glass and pushing down on the built-in sprayer. A wetted glass makes pouring the perfect glass of draught easier. Trays are constructed of heavy gauge stainless steel with a durable metal rinser. Cold water connection required.

PART NO.	FAUCETS	FINISH	O.D. DIMENSIONS	DRIP AREA
DP-1604	1 – 2	Polished SS	15-3/4" x 15-3/4"	13" x 7-1/4"
DP-1605	2 – 4	Polished SS	23-5/8" x 15-3/4"	20-7/8" x 7-1/4"
DP-1605-NR*	2 – 4	Polished SS	23-5/8" x 15-3/4"	20-7/8" x 7-1/4"
DP-1606	3 – 5	Polished SS	31-1/2" x 15-3/4"	28-3/4" x 7-1/4"

DP-1614	14 – 20	Polished SS	78-3/4" x 19-5/8"	74-3/4" x 9-1/4"
5524	Replacement drain assembly			

*NR denotes trays without rinsers installed.

DP-1608

SUN LINE

Bright reflections draw attention to the draft tower. The radiating embossed texture creates the perfect stage for the beer station. Platform trays are a fast retrofit for a worn or damaged bar top. Protect your bar top with a hygienic platform tray – it's all about the beer. Drain nipple included.
