

CTS shown with optional napkin dispenser

The Elite 500 Tray or Plate Stand is a must to begin your line-up. It's versatile design provides a place for all the required utensils. Elite 500 units are compatible and will interlock with other Elite 500 units. This allows the units to be disconnected for cleaning under the serving line.

**STANDARD FEATURES**

- ◆ 14-gauge stainless steel top with 1-1/2" turndown on all sides
- ◆ Top secured by four recessed bolts
- ◆ 14-gauge stainless steel legs fastened to 18-gauge stainless steel bottom shelf
- ◆ 20-gauge stainless steel panels are attached to legs
- ◆ 5" diameter swivel plate casters, 2 with brakes
- ◆ Interlocking mechanism is provided to interlock with other Elite 500 units
- ◆ 6 plastic cylinders

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
