

JOB _____ ITEM # _____ QTY # _____

R96-BEV1 shown with optional solid ribbed tray slide

Designed to keep your serving area clean and functional, these Piper Beverage Counters are sure to complete your line-up. The standard full length drains will keep hazardous spills from your floors. Units are a full 30" deep to accommodate nearly all coffee makers.

The versatile modular design allows you to design a cafeteria or buffet unit to fit your line-up. All Reflections units are compatible and will interlock with other Reflections units.

STANDARD FEATURES

- ◆ Seamless, molded FRP body with smooth exterior and rounded corners
- ◆ 14-gauge stainless steel top with fully welded square turndowns on all sides
- ◆ Enclosed base
- ◆ Under bracing for heavier loads
- ◆ 4-1/2" wide stainless steel removable grate for easy access
- ◆ 3/4" FPT ball valve provided under unit
- ◆ 4" diameter swivel plate casters with brakes
- ◆ Interlocking mechanism is provided to interlock with other Reflections units

ELECTRICAL

- ◆ Optional outlet locations must be specified

LIMITED WARRANTY: PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
