

**24h** Quick Ship.

**Available to ship within 24 hours or receive a free bucket of cleaner and care tabs.**

Cooking systems shipping to within the continental the U.S. will leave a RATIONAL Distribution Center within 24 hours of order confirmation.

**Terms & Conditions:**

- › Only available for standard configurations.
- › 24-hour shipping is on regular working days as determined by RATIONAL.
- › Orders must be accepted by RATIONAL USA by 1 pm CT to be eligible for this offer.
- › Orders that include a non 24h Guaranteed stock item, are not eligible for this program.
- › This program is only for shipments using RATIONAL preferred LTL carrier.
- › Orders which include a Site Survey will not ship until the Site Survey is completed.
- › Unfortunately, not all obstacles can be prevented. The following are examples of situations that may affect guaranteed shipping:
  - › Information necessary to process and fulfill the order was not provided.
  - › Credit issues or holds.
  - › Natural disasters / inclement weather conditions that prevent shipping capabilities.
- › Quantities ordered may impact Quick Ship availability.
- › This offer may be terminated at any time.
