

STANDARD FEATURES

Ideal to prepare juices, frozen, smoothies, frappés, milkshakes, ice creams, açai cream and lactose-free milk.

High performance 3hp motor and blades for faster and more efficient preparation. Less noise and more productivity for your business. We are proud to introduce the Quiet Blender with Sound enclosure.

The integrated noise reducer significantly minimizes sound, creating a quieter working environment.

This technology is operations, the ideal solution for front-of-the-house operations, resulting in a more enjoyable experience for customers.

Create delicious smoothies, drinks, soups, sauces, and creams, delivering high-quality results with a smooth and consistent texture. The Skyfood Blender with Sound enclosure is a durable and reliable choice.

Revolutionize your kitchen now!
