

Square Induction Servers

- ✓ Axles glide smoothly and hold cover open at any angle. Tested to perform over 20K cycles
- ✓ All inserts are oven and dishwasher safe
- ✓ 18/10 stainless steel
- ✓ Water pan has an easy to read fill line to avoid overflow
- ✓ Special design prevents induction conductivity issues caused by warping
- ✓ Stabilizing arm with rubber foot keeps servers from sliding on countertops—purchase the extender arm for use with countertop induction ranges
- ✓ 10 year warranty for manufacturer defects on welds & metal casting
- ✓ Colored servers are fingerprint and scratch resistant
