

SINK MOUNT RINSE-O-MATIC®

Powerfully Rinses Blender Containers

No more rinsing containers by hand or letting the water run; the Sink Mount Rinse-o-matic is the more efficient way to rinse any blender container* in seconds! Just place the container upside down and the high water pressure rinses residue away, saving you time and money.

Smart Product Design

- Powerful spray forcefully removes stubborn residue
- Angled spray nozzles are designed to reach all the corners of the container and the top of the blade
- Only sprays when pressure is applied for ease-of-use
- Easy to operate plunger requires minimum force to activate
- Durable plastic construction is virtually unbreakable and verified to perform more than 1,000,000 cycles

** 48 oz. containers or smaller from most manufacturers.*
